Description

Keep your workshop, garage, or driveway clean, safe, and free from oil spills with the HAFCO ESDT-16 Drip Tray, built to suit HES-907-F (A340) and ESR-450W (A3375) engine stands.

Maximum Floor Protection – Catches oil and fluids when working on engines or gearboxes, keeping your space spotless and slip-free
Built Tough to Last – Heavy-duty 1.5mm mild steel construction with drain plug, lifting handles, and securing hooks included
Quick & Convenient – Easy to slide in, lift out, drain, and clean—ready for your next job in minutes

Perfect for both home and professional workshops, the ESDT-16 Drip Tray is the essential add-on to keep your floors stain-free, safe, and workshop-ready.

Features

- Made from rugged 1.5mm mild steel for long-lasting performance
- Comes with a drain plug, 2 lifting handles, and sheet metal securing hooks with hardware
