Description

A simple, robust 20 ton bottle jack. A heat treated extension screw allows a low pick-up height, which together with a single stage hydraulic ram gives a lifting range from 200-360mm. Perfect for 4WD, trailers and small commercial vehicles.

Features

- 20 tonne lifting capacity with a lifting range from 200-360mm
- Heat treated adjusting screw and single stage ram cylinder
- Serrated & heat treated lifting screw end
- Wide rugged base for stability
