Length (mm):	1095
Width (mm):	565
Height (mm):	210
Number of Castor Wheels (No.):	6
Load Rating (kg):	136
Nett Weight (kg):	10

Description

The Premium Mechanic's Creeper has been designed with comfort and mobility in mind. With a low-profile design (just 122mm high), it allows easy access under vehicles.

Its detachable magnetic tool tray keeps essential tools within reach, while the generously padded lying board (45mm thick) and adjustable 3-position headrest provide ergonomic support during extended use.

Equipped with six large 75mm swivel casters, it offers smooth and quiet movement. The durable steel frame supports up to 136kg, ensuring longevity and strength. At 10 kilograms, its heavy-duty construction adds stability, and the integrated support frame handles assist with standing and storage.

Ideal for mechanics, handymen, and workshop professionals, this creeper enhances productivity with superior comfort and durability, making it a must-have tool for demanding workspaces.

Features

- Frame Dimensions: 1095mm (L) x 460mm (W)
- Low Profile: 122mm height (frame), or 210mm with push handle for easy access under vehicles and equipment.
- Removable Magnetic Tool Tray: Conveniently fits on either side for quick access to tools.
- Swivel Wheels: Six Ø75mm wheels for smooth, stable movement.
- Support Weight: Holds up to 136kg person.
- Cushion Thickness: 45mm for added comfort.
- 3-position adjustable headrest
