Description

The Workbench Modular Pegboard Tape Holder is a convenient storage accessory designed to keep rolls of tape organised, protected and readily accessible. Ideally for packaging tape and other commonly used rolls, the holder mounts securely to a compatible modular pegboard system to maximise workspace efficiency and reduce bench clutter. Constructed from durable steel with a tough powder-coated finish, it provides a robust storage solution for workshops, garages, warehouses and industrial environments. Its modular design allows the holder to be easily repositioned or combined with other pegboard accessories to create a customised workstation.

Features

- Heavy-duty steel construction for long-lasting durability.
- Securely mounts to compatible modular pegboard systems.
- Suitable for storing packaging tape.
- Keeps tape rolls organised, protected and within easy reach.
- Allows quick and easy dispensing of tape when required.
- Frees up valuable workbench space for a cleaner, more efficient workspace.
- Modular design allows easy repositioning as storage needs change.
- Powder-coated finish provides excellent corrosion resistance and a professional appearance.
- Ideal for workshops, garages, maintenance facilities, warehouses and industrial workstations.
- Quick and easy installation with no permanent modifications to the pegboard system.

Includes

- 1 × Workbench Modular Pegboard Tape Holder (MWT1)
