MODEL:	MWP18
Type:	Modular Power Backing Pegboard Panel
Size:	~
Suits:	K0368,K029, K030 & K031, K034 & K035

Description

The Workbench Modular Power Backing Pegboard Panel 1800 is a multifunctional workstation accessory that combines convenient power access with customisable tool storage. Featuring an integrated power board with three 240V power outlets and two USB charging ports, it provides a centralised power solution for operating power tools and charging mobile devices directly at your workstation. The durable 1800mm-wide perforated steel pegboard accepts a wide range of compatible hooks, shelves and storage accessories, allowing you to organise tools and equipment for maximum efficiency. Finished in a tough powder-coated coating, this heavy-duty panel is ideal for workshops, garages, warehouses and industrial environments where productivity and organisation are essential.

Features

- Heavy-duty steel construction for exceptional strength and durability.
- Integrated power board with 3 x 240V power outlets for convenient power access.
- 2 x USB charging ports for charging phones, tablets and other USB-powered devices.
- 1800mm wide perforated pegboard provides extensive tool storage and organisation.
- Compatible with a wide range of modular hooks, shelves and pegboard accessories.
- Keeps power outlets elevated and within easy reach above the workbench.
- Helps organise tools, equipment and workshop essentials while reducing bench clutter.
- Modular design allows accessories to be repositioned as storage requirements change.
- Durable powder-coated finish provides excellent corrosion resistance and a professional appearance.
- Ideal for workshops, garages, maintenance facilities, warehouses and industrial workstations.
- Integrates seamlessly with the Workbench Modular Storage System to create a customised workstation.

Includes

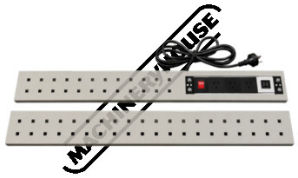

- 1 × Workbench Modular Power Backing Pegboard Panel (MWP18) 2-piece
