| Suits: | K0368,K029, K030 & K031, K034 & K035 |

## Description

The Workbench Modular Backing Pegboard Panel Rail 1800 is a heavy-duty support rail kit designed to securely mount compatible pegboard backing panels to an 1800mm modular workbench. Supplied as a 2-piece set, the rails provide a strong and stable framework for supporting pegboard panels, allowing users to customise their workstation with hooks, shelves, holders and other modular storage accessories. Manufactured from durable steel with a 4-hole mounting design, the rails ensure a secure installation while delivering exceptional strength and rigidity. Finished with a tough powder-coated coating, they are ideal for workshops, garages, warehouses and industrial environments where organisation, durability and efficient use of workspace are essential.

## Features

- Heavy-duty steel construction for maximum strength and long service life.
- Designed to support compatible 1800mm Workbench Modular Pegboard Panels.
- Supplied as a 2-piece rail set for 1800mm workbenches.
- 4-hole mounting design provides a secure and stable installation.
- Creates a rigid framework for mounting pegboard storage systems.
- Compatible with modular hooks, shelves, holders and other pegboard accessories.
- Allows users to customise and expand workstation storage.
- Maximises vertical storage while keeping tools and equipment within easy reach.
- Durable powder-coated finish provides excellent corrosion resistance and a professional appearance.
- Suitable for workshops, garages, maintenance facilities, warehouses and industrial workstations.
- Integrates seamlessly with the Workbench Modular Storage System.

## Includes

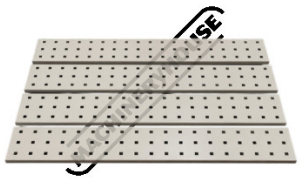

- 1 × Workbench Modular Backing Pegboard Panel Rail (MWR18) 2-piece
