## Description

Alcock drill bits are manufactured from M35 grade HSS including 5% cobalt, this high-grade material offers superior drilling performance and durability. Each drill bit features precision-ground flutes and a 135° cutting point angle, which is ideal for drilling in tougher materials while enhancing longevity and performance. The reduced shank design allows heavy-duty drilling using standard Ø1/2" capacity chucks, offering maximum versatility across a wide range of workshop applications.

This professional drill bit kit includes sizes from Ø9/16" to Ø1", all neatly housed in a rugged, organized carry case—making it the perfect addition to any workshop.

## Features

- M35 Grade HSS including 5% Cobalt
- Ø1/2” reduced shank
- 8 Piece Set in sizes – 9/16”, 5/8”, 11/16”, ¾”, 13/16”, 7/8”, 15/16” & 1”
- Precision ground flutes
- 135º cutting point for drilling steels and tough materials
- Manufactured to DIN 345 ?Standard
- Bronze oxide finish to reduce friction
- Supplied in a deluxe plastic storage case
