ORDER CODE:	D1271
Flutes (Type):	Precision Ground
Number of Pieces (No.):	25
Drill Size Range (Inch / mm):	1 - 13mm
Metric / Imperial (~):	Metric
Drill Size Steps (Inch / mm):	0.5mm
Point Angle (Degrees):	135°
Standard (DIN):	DIN 338
Nett Weight (kg):	1.5

Description

Alcock Jobber Drills are manufactured to DIN 338 standards from M2 HSS for outstanding durability and drilling performance. Precision-ground flutes ensure fast chip removal, while the 135° split-point cuts quickly, self-centres, and reduces wandering—perfect for tougher steels.

The 135° cutting point ensures smoother cutting in steel by effectively dispersing heat away from the drill's center, enhancing longevity and performance. Additionally, the drill bits are engineered with a split-point design, minimizing material resistance at the tip. This innovative feature eliminates the need for a pilot drill, reduces wandering, and ensures effortless, accurate drilling every time.

Supplied in a durable plastic case with clearly labeled sizes, these sets make it easy to grab the right bit every time—perfect for both workshops and site use.

Sizes available: 1.0mm to 13.0mm in 0.5mm increments

Features

- Industrial Quality, precision ground flutes
- HSS M2 bright finish
- 135º split point centre for toolrooms and machine shops.
