Flutes (Type):	Precision Ground
Number of Pieces (No.):	29
Drill Size Range (Inch / mm):	1/16 - 1/2"
Metric / Imperial (-):	Imperial
Drill Size Steps (Inch / mm):	1/64"
Point Angle (Degrees):	135°
Standard (DIN):	DIN 338
Nett Weight (kg):	1.7

Description

Alcock drill bits are manufactured from M2 High-Speed Steel, renowned as the highest-grade material for superior drilling performance and durability. Each drill bit features precision-ground flutes and a 135° cutting point angle, optimised for industrial applications.

The 135° cutting point ensures smoother cutting in steel by effectively dispersing heat away from the drill's center, enhancing longevity and performance. Additionally, the drill bits are engineered with a split-point design, minimizing material resistance at the tip. This innovative feature eliminates the need for a pilot drill, reduces wandering, and ensures effortless, accurate drilling every time.

Supplied in a durable plastic case with clearly labeled sizes, these sets make it easy to grab the right bit every time—perfect for both workshops and site use.

Sizes available: 1/16" to 1/2" in 1/64" increments

Features

- Industrial Quality, precision ground flutes
- HSS M2 bright finish
- 135° split point centre for tool rooms and machine shops.
- Manufactured to DIN 338 Standard
