Description

If you are in the market to produce your own meat mince, then we have the perfect solution that will save you hours of back breaking work. This fantastic heavy duty commercial grade electric meat grinder from Carnivore can effortlessly grind/mince through all your meat.

This electric meat mincer is powered by a 850 watt, 240V motor and the cutter is capable of rotating forward or in reverse if needed. The 3-way switch offers the operator more control with selections of On, Off and Reverse Jog modes. This mincer also has a generous 315 x 195 x 50mm meat holding tray and can mince up to 180kg per hour.

So, if you have been looking for a heavy-duty commercial mincer that you can count on- look no further than the NM-12 Carnivore meat miner.
