Band Saw Blade Size (L x W x T) (mm):	~
Band Saw Blade Code:	~
Motor Power (kW / hp):	~
Voltage (V):	~
Nett Weight (kg):	12.5

Description

The MMM-20 Carnivore Mince Mixer is an essential equipment to own when mixing in herbs & spices to your mince meat in preparation for sausage making or even just producing meat balls. The drive crank handle is geared to 3:1 ratio and creates light work for the operator, by decreasing the effort required to rotate when loaded up to full capacity.

Blending your meat and seasonings cannot be any simpler or easier with this handy mixer. Simply place your mince inside the stainless-steel hopper, sprinkle your ingredients over the top, close the clear see-through lid and turn the handle to begin the mixing process.

Features

- 20kg mixing capacity - 310 x 285 x 360mm (LxWxH)
- High quality food grade stainless steel construction for superior hygiene
- Clear see-through lid with open slot for adding in herbs or spices
- 3:1 mechanical gear drive ratio that helps use less effort on full mixing loads
- Removable crank handle with non slip positive square drive
- 4 x blades specially designed to achieve exceptional mixing
