Suits Grinder Size (mm):	150 - 200
Height (mm):	825–1040
Top Base Size (mm):	250 x 170
Water Tray:	~

Description

This heavy-duty adjustable pedestal stand is perfect for 6"–8" (150-200mm) grinders and buffs, vices and benders. Ideal for metalworking, woodworking and workshop applications, the universal Grinder/Vice stand provides excellent stability, reduced vibration and improved operator comfort.

The adjustable pedestal stand ranges in height from 825 - 1040mm, allowing for safer, more precise grinding and sharpening. The thick plates and wide base ensure a rigid stand for serious bending.

The slotted top plate means that almost any grinder, vice or pipe bender will fit. Being 10mm thick, the top plate has plenty of material left, should you want to elongate or drill new holes to suit your existing machinery.

The 300mm wide base can be floor mounted, or mounted to a mobile base.

Features

- Adjustable working height from 825–1040mm
- Quick pin adjustment in 18mm increments
- Heavy-duty pinch bolt locks height securely
- Universal slotted mounting plate to suit a wide range of machines
- 10mm thick steel top plate, with plenty of material to drill more holes
- 300mm wide, 10mm thick base plate for maximum stability
- Pre-drilled base for floor mounting or mobile setups
