Suits Grinder Size (mm):	200mm

Description

Transform your 200mm bench grinder into a versatile buffing system with this complete buffing kit. Designed to handle a variety of polishing tasks, this kit includes stitched and loose-leaf mops for different buffing applications, along with a selection of buffing soaps for achieving a range of finishes on various materials. The included tapered spindles ensure a secure fit for easy attachment to your grinder.

Features

- Converts your 200mm bench grinder into a buffing machine
- Includes both stitched and loose-leaf mops for different buffing applications
- Comes with a range of buffing soaps for coarse, medium, fine, and super fine finishes
- Two 16 x 2.0mm tapered spindles for secure attachment to your grinder
- Suitable for polishing metals, plastics, and other materials

Includes

- 2 x 16 x 2.0mm tapered spindles (left and right)
- 1 x Stitched buffing mop
- 1 x Loose-leaf buffing mop
- 4 x 100g buffing soaps (coarse, medium, fine, and super fine)
