Description

NBH-2 mallets are manufactured from high impact nylon with a hickory wooden handle for extreme durability and are specifically designed for roughing in your work during the early stages of metal shaping and typically used in conjunction with a shot bag. Made from a nearly indestructible non-marking material, these bossing mallets have two radius ends for added usefulness and practicality.

Features

- Manufactured from high impact nylon with a hickory wooden handle
- 1 x Professional mallet Ø75 to Ø16mm diameter ends
- 1 x Standard mallet Ø76 to Ø35mm diameter ends
