Description

NM-2 mallets are manufactured from high impact nylon with a hickory wooden handle for extreme durability and are specifically designed for roughing in your work during the early stages of metal shaping and typically used in conjunction with a shot bag. Made from a nearly indestructible non-marking material, these mallets have flat ends for added usefulness and practicality.

Features

- Manufactured from high impact nylon with a hickory wooden handle
- 1 x Ø65 x 150mm long mallet with flat ends
- 1 x Ø55 x 135mm long mallet with flat ends
