Description

This welding table package is all about the extras !
With a 5mm table surface thickness it gives you a solid surface to suit most welding applications, the tabletop is 750 x 1000mm giving you a well-proportioned size that won't take up too much space in your workshop. Featuring an all-metal self-weld frame with 50 x 5mm solid steel webbing ribs ensuring the table surface remains flat during & after assembly, its heavy duty 50 x 50mm powder coated SHS steel legs come standard with adjustable leveling feet ensuring a sturdy working surface.
Want more…..we have done it, this package also comes standard with caster mounting plates, simply cut the legs to your desired length, weld on the caster plates add optional caster wheels, your table is now mobile. We have also included is our 40pc welding table clamp kit, two pairs of our magnetic corner welding clamps & 2 sets of our 9" locking clamps giving you a welding table with all the extras making it the perfect solution for both welding and clamping applications.
We couldn't help ourselves to add one more thing, after a big day in the workshop who does like to finish the day with a refreshing cold one, so we included one of our magnetic stubby holders to really give you a package with all the extras.
NOTE - THIS ITEM COMES FLAT PACKED & REQUIRES ASSEMBLY & WELDING. Additional equipment including a welder is required for assembly, please review our construction guide via our downloads for a list of the required items
