Description

Precision Metric 1-2-3 Block Set of two (25 × 50 × 75mm)
Designed for absolute precision, strength, and versatility, these hardened and precision-ground 1-2-3 blocks are an essential setup tool for machining and inspection work. Supplied as a matching pair and manufactured to a tight ±0.005mm tolerance, they deliver consistent, repeatable accuracy on every face.

Featuring 5 x tapped holes M10 × 1.5 and 18 clearance holes, the blocks can be securely bolted together or to fixtures, making them ideal for milling, drilling, grinding, and alignment tasks. The set is supplied in a neat, durable plastic storage case, keeping the blocks protected, organised, and ready for use in the workshop.

Features

- 25 x 50 x 75mm
- Hardened & ground surfaces
- 5 x Tapped holes with M10 x 1.5mm threads & 18 Clearance holes to allow two blocks to be attached together
- Matched pair
- Precision ground
- Tolerance to 0.005mm
