Product Brochure For M731

2-Axis Digital Display Unit

ORDER CODE:	M731
Max. Scale Range (mm):	~
Scale Length (L) (mm):	~
Number of Axis (No.):	2-Axis
Includes Batteries:	YES

Description

The 2 axis LCD display counter unit is ideal on metal working and woodworking machines. This digital counter is designed specifically for convenient display of X-Axis & Y-Axis on machine tool movement when used with optional aluminium linear scales and measures in either metric or imperial. The display unit incorporates a magnetic backing for convenient mounting on metal surfaces enabling the user to position in convenient location for easy viewing. Precise depth control floating zero allows you to set "zero" anywhere within operating range with a push of a button.

Features

- LCD back-light display unit
- Resolution: 0.01mm/0.0005"
- Metric/imperial conversion
- Zero setting
- On/Off switch
- Magnetic back panel for mounting

Includes

- Includes 2 x 2 metre scale connecting cables
- 2 x AAA batteries
