Description

Our Haas Workholding by Kurt 6" single-station fixed-jaw vice is the same high-quality DX6 Kurt vice we all know and love – branded specifically for Haas. This flange-style vice has a 9" maximum opening, and features a cast-in stationary jaw for less deflection and more stability during clamping. Proprietary AngLock® design ensures alignment of the moving jaw, and reduces jaw lift for superior performance. The bolt-on jaws are easily changed or reversed, and machinable steel and aluminum soft jaws are available.

Features

- Hardened Prismatic Jaws
