Description

HAFCO AR110 Heavy Duty Dry Wipes 110gsm

HAFCO AR110 roll provides a durable and highly absorbent alternative to rags, paper towels and traditional shop cloths. Designed for versatility across industrial, trade and workshop environments & manufactured for strength and absorbency, these wipers deliver strong performance while remaining soft enough for general surface cleaning. Tackling heavy grease and workshop grime to cleaning spills in production or food preparation areas, having a reliable industrial wipe is essential for maintaining a clean and efficient workplace. AR110 wipes are suitable for use on food contact surfaces and are HACCP certified for approved use on food surfaces.

The material construction delivers excellent absorbency while remaining flexible, making these wipes ideal for heavy-duty cleaning applications. Each roll contains 540 sheets (186 m) and is designed for convenient use with the HAFCO free-standing dispenser (HWD1), allowing for controlled, one-sheet-at-a-time dispensing to improve efficiency and workplace hygiene. The roll format also ensures easy handling and storage

APPLICATIONS

Industrial Workshops

Removing oil, grease and workshop residue

Absorbing liquid spills quickly and efficiently

Applying cleaning solutions and solvents

Polishing stainless steel and glass surfaces

Cleaning machinery, tools and equipment

Wiping delicate or finished surfaces

.

Features

- 540 sheets per box (186M)
- Strong and hydro absorption- superior water and oil absorbency
