Description

The HAFCO Armor free-standing wipes dispenser is a durable and practical solution designed to support efficient dispensing of heavy-duty wipe rolls in demanding work environments. Built for stability and ease of use, it allows for controlled, one-sheet-at-a-time dispensing, helping to reduce waste, improve hygiene, and maintain a clean and organised workspace.

This dispenser is specifically suitable for use with the O5028 HAFCO heavy-duty wipe roll, ensuring a secure fit and smooth dispensing performance. Its robust construction makes it ideal for high-traffic and industrial settings, while the free-standing design allows for flexible placement across various work areas.
