Description

This heavy duty power punch tool punches accurate round holes through all types of materials. From thin brass metal to plastic sheet up to 1.2mm mild steel. The punch which has an adjustable edge guide, easily lets you align holes in a straight line 6mm to 38mm from the edge. Package comes with seven quick-change, durable heat treated punch-and-die sets. This set includes a durable plastic storage case.

Features

- Steel body hole punch plier
- 3/32", 1/8", 5/32", 3/16", 7/32", 1/4" & 9/32" punches & dies
- Includes plastic storage case
