Automatic Centre Punch

130mm Long

ORDER CODE:	P366
Type:	Automatic Centre Punch
Number of Pieces (No.):	1

Description

Automatic centre punch is made from high carbon steel and hardened and tempered for a long working life, and there no need to use a hammer just line up & press. This punch has a knurled body for a firm safe grip.

Centre punches are normally used to make an indentation in metal, plastic or wood prior to drilling to prevent the bit skating off target

Features

- Ø13mm knurled steel body
- Fully automatic single hand operation
