SwiftCAM Level 2 Software Upgrade

ORDER CODE:	P9051
Type:	SwiftCAM Level 2 & Software
Part Number #:	~
Suits:	Swift-Cut Machines
Processes:	~

Swift-Cut SMART CUTTING SOLUTIONS

Made in the UK

1 YEAR WARRANTY

Description

SwiftCAM Level 2
CAD/CAM software - multiple icon handling

Level 1 + auto nesting with 1 click plate utilisation

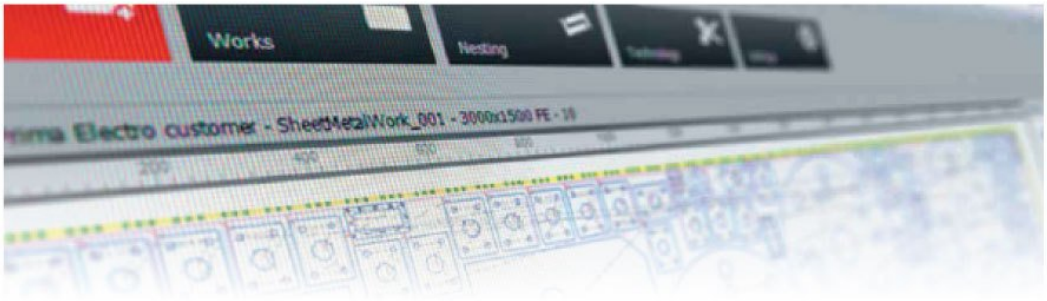

Features

- This versions includes all functions described for version 1, but additionally it allows you to create a list of parts to be cut and matched with respective quantities
- An automatic nesting will position the parts on a plate of the selected format in order to reduce scrap
- For any single different part, the position of the lead-in shall be indicated by the user
