Description

The Measumax Digital Rechargeable Calipers offer a precise and dependable solution for accurate measurement in workshops and engineering environments. Featuring a rechargeable digital display that provides clear readings without the need for constant battery changes, while the IP-54 water and dust-resistant rating ensures durability. Designed for versatility, they are suited to internal, external, step, and depth measurements with consistent accuracy. Straightforward controls ensure efficient operation for both experienced machinists and those new to precision tools. With a focus on practicality and dependable performance, the Measumax Digital Rechargeable Calipers are a reliable choice for professionals seeking durability and accuracy in a compact, functional design.

Features

- Fast, magnetic charging in less than 3 hours
- Long battery life, with low battery alert
- IP54 Rated
- Metric, Imperial, and Fraction measuring modes
- Auto-Off function
- 4-Way measuring

Includes

- USB-A Magnetic Charging Cable
- Deluxe Storage Case
