Description

Coolant Proof IP-67 (CEI60529). Precision digital calipers with stainless steel body and slides. Ideal application where dust and coolant is prevalent

The international ratings organisation explain the following conditions for IP-67
The "6" denotes: "Protected against dust - limited ingress (no harmful deposit)"
The "7" denotes: "Protected against immersion between a depth of 15cm to 1 meter in fluids"

Features

- New ABSOLUTE measuring system with memory hold and ABS/INC
- Fully protected against the penetration of liquids
- IP-67 prevents dust, water or oil from entering the caliper through effective encapsulation of the main parts
- Large clear screen display - Metric/Imperial conversions at any position, Zero switches at any position. The memory hold function allows for the readinf to be kept even after the unit is switched off.
- Manual switch off
- Supplied in fitted blow mould case

Includes

- Includes CR2032 battery
