## Description

Measumax wide range metric micrometer sets are equipped with a series of interchangeable anvils and setting standards to accurately adjust to the required range

## Features

- Wide measuring range with adjustable anvil. High accuracy standard collars enable a reading that does not have to be reset when changing collars
- Standard collars: 50mm & 100mm (micrometers over 1000mm)
- Carbide measuring faces, Flatness 0.0008mm
- Micro-fine clear graduations on satin chrome finish
- Ratchet thimble for exact repetitive readings
- Pipe combined frame for light weight and high rigidity
- Setting standards supplied
- Graduation 0.01mm
