Description

Record Power RPDVD07 Woodworking Projects DVD - Mantle Clock with Alan Holtham.

This project combines both faceplate and spindle turning to produce an elegant finished product that is really functional and decorative. Alan shows you how to work accurately on the relatively small scale pieces and leads you confidently through the potentially difficult techniques of dividing out and angle drilling.
This is a project that appeals to everyone and with his expert guidance it becomes a project for all abilities.

Duration 70 minutes.
