Face Plate - CWA75

Ø100mm (4")
Suits CL3 Lathe

ORDER CODE:	R8588
MODEL:	CWA75
Type:	Faceplate
No. of Piece:	~
Size:	Ø100mm (4")
Internal Thread:	M33 x 3.5mm
External Thread:	~
Suits:	CL3 Lathe

Description

Record Power CWA75 faceplates are the ideal tool for mounting larger or heavier work, for turning across the grain. This steel faceplate is precision machined on external faces to a high tolerance and CNC turned for exceptional accuracy and balance. It features concentric circular grooves to aid the centralising of smaller workpieces. A rough guide to a faceplate's capacity is that pieces can be turned up to three times the diameter of the faceplate they are mounted on.

Features

- Steel Faceplate
- 100mm (4") Diameter Face Plate
- M33 x 3.5mm Thread
