Forstner Bit Set - RPFBS16

16 Piece

ORDER CODE:	R9524
MODEL:	RPFBS16
Type:	16 Piece & Forstner Bit Set

RECORD POWER

Description

Record Power RPFBS16 Forstner Bit Set - For boring precise, flat bottomed holes into wood. These Forstner bits can cut right to the edge of the workpiece or cut overlapping holes. The real advantage of a Forstner Bit over an Expansive Cutter is the high quality finish a Forstner Bit produces.

Features

- Precise and Fine Cut - The Forstner bits create an excellent finish, even on laminated materials.
- Case Included - The 16 piece set comes complete with useful storage and carry case.

Includes

- Sizes Included: 1/4, 3/8, 1/2, 5/8, 3/4, 7/8, 1, 1 1/8, 1 1/4, 1 3/8, 1 1/2, 1 5/8, 1 3/4, 1 7/8, 2, & 2 1/8"
