Features

- Access from Any Angle - The rotation of the arm and faceplate allows access from all around the workpiece.
- 360º Rotation - The faceplate revolves 360º for easy access all around the workpiece.
- Pivoting Support Arm - This provides further flexibility of positioning.
- Secure Clamping - The cast iron clamp jaws provide more than enough holding power for heavy use.
- Cast Iron Clamp - The vice can be securely attached to any work surface up to 4" thick.
- Extra Support - For further strength when carrying out the hardest cuts, the mounting plate can be positioned flush to the vice body, with the attached roll pins providing extra support.
