Foam Cutting Oil - 440g - XDP-905

Increases Tool Life Up To 5 Times

vertical drilling - remains on the cutting tool

Ex GST	Inc GST
$27.83	$32.00

ORDER CODE:	S078
MODEL:	XDP905
Type:	Foam Cutting Oil
Size:	440g

Excision Dependable Precision

Australian Built

Description

XDP 905 Foam is a cutting, drilling and tapping oil that is the ultimate performer in high pressure applications formulated for ferrous and non ferrous metals, great on stainless steel.
XDP 905 Foam is a highly formulated semi-synthetic cutting oil - the latest development in extreme pressure cutting and tapping oils. XDP 905 provides exceptional film strength, adhesion to cutting edge, high speed applications, highest resistance to corrosion, and is ideal in deep boring and drilling applications. It is Chlorine and Sulphur free. Contains mineral oil for extra lubricity & low consumption - can therefore be used as minimum quantity lubricant.

Features

- Foam thoroughly coats cutting tool
- Increases tool life up to 5 times
- Reduces wear and friction
- Protects against corrosion
- High residual lubricant
- Easy application foaming action
- Penetrates deep into the cut
- Promotes a superior finish
