## Description

If your in need to sand or bead blast something very large that simply just wont fit into a conventional blasting cabinet, then this portable SBP-215 blast hopper is what you will need to do this job. It's really user friendly & easy to set up, just fill up the hopper with your blasting media connect an airline to the gun and wheel it into position where you will need to blast and away you go.

## Features

- Portable hopper on wheels
- 19 litre hopper capacity
- Industrial blasting gun & 2 metre hose
- Includes 1/16" & 1/8" air jet
- 1/16" air jet requires compressor delivering minimum 6CFM (170L/min) FAD @ 80 psi
- 1/8" air jet requires compressor delivering minimum 21CFM (595L/min) FAD @ 80 psi
