Overall Dimensions (W x D x H) (mm):	1360 x 617x 2000mm
Nett Weight (kg):	163

Description

The HAFCO Workshop Series Storage System is a heavy-duty, space-efficient workshop storage solution designed for professional workshops, garages, tradespeople, mechanics and serious DIY users.

Built from durable steel construction this integrated workstation combines a large stainless steel work surface with generous drawer, cupboard and overhead storage.

The Workshop Series Storage System has been designed with practical workshop organisation in mind, providing dedicated storage for tools, equipment, consumables and everyday workshop essentials.

Compared with conventional workbench configurations, this model features larger overhead cabinets, five heavy-duty drawers, a dedicated bin dispenser, wipes holder/dispenser and a double-door bottom cabinet, providing greater flexibility for organising the modern workshop.

The integrated power outlets and USB charging ports provide convenient access to power directly at the workstation, allowing users to charge tools, devices and other equipment without having to run additional extension leads across the workshop.

Top Drawer: 560 x 482 x 62mm

Drawer 2-5: 560 x 482 x 141mm

Bottom Right Drawer: 242 x 495 x 293mm

Bench Height: 948mm

Wall Cabinet: 1360 x 281 x 350mm

Trash bin cabinet: 680 x612x 910mm

Bench Top: 1361 x 617 x 38mm (Height 948mm)

Features

- Colour : Grey
- Heavy-duty steel construction for demanding workshop environments
- Large stainless steel workbench top providing a durable and easy-to-clean working surface
