Description

1000kg PLATFORM TROLLEY
Ideal for stores & workshops to greatly minimise back injury

This industrial duty steel platform trolley makes it easy to transport loads up to 1000kg. The innovative design allows the load to pivot on 2 large fixed wheels, while 4 smaller swivel castors provide easy steering and manoeuvrability. This trolley includes ergonomic comfort-grip handles and a handy clipboard holder, with provision to add 6 timber guide posts for side supports makes this the ultimate and most versatile trolley on the market.

Features

- Steel construction for strength and durability
- 1828 x 685mm heavy duty steel platform with tough checker plate decking to help prevent loads from slipping
- 1 tonne (1000kg) capacity to handle a variety of loads
- 685mm overall width is perfect for going through standard doors
- Provisions to add six 85mm x 35mm timber guide supports to provide larger material
- 2 fixed and 4 swivel polyurethane wheels with 360° steering
- Each polyurethane swivel caster wheel includes a brake for stability while loading
- Comfortable foam grip ergonomic handles help to reduce operator fatigue and promote safety
- Handy built-in clipboard holder is anchored right on the frame for easy operator access
