Nett Weight (kg):	76

Description

Get ready for a toolbox revolution with the all-new HAFCO Professional Series – the ultimate gear for your workshop. Forget the flashy colours; it's all about the bold and professional vibes that Nardo Grey and gloss Black bring to the table. Now, your tools don't just work hard; they look dam good doing it.

The HAFCO Professional Series are absolute beasts with units ranging from 56 inches to a whopping 72 inches in size. Choose your weapon – the tool chest, the roller cabinet, or go all out with the Hutch for that super clean and tidy workshop feel.

The 72" Roller Cabinet means serious business. key lockable feature keeps your tools safe and sound. Soft push-to-close drawers and full-length under drawer opening tabs make opening each drawer from any position a breeze. The ball-bearing slides ensure drawers smooth operation and the larger drawers even sport dual slides for extra strength. Your tools won't slide around or get damaged, thanks to the foam grip mats lining supplied in each drawer and the oversize castor wheels will make pushing these behemoths a breeze.

The 72" Top Hutch is designed to sit perfectly on your tool chest, turning your bench into a practical, clutter-free workspace. The gas strut-assisted lid opens smoothly, while the key lock keeps everything secure when not in use.

Inside, the square pegboard backing and included accessories give you complete flexibility. A Shelf, spray can holders and screwdriver holder make it easy to organise everyday tools.

Four power cord access holes let you run battery chargers, power tools or even a laptop neatly into the unit, keeping your setup powered and tidy.

It's a smart, all-in-one workstation that keeps your tools organised, protected and ready to go—then locks up securely at the end of the day.

Upgrade your workshop game today with the HAFCO Professional Series – where toughness meets style in smart shade of Nardo Grey.
