Description

The NEW & improved UB-1400F industrial aluminium truck box now with a wide & deep opening access, full length adjustable shelf is definitely a better option compared to all the conventional boxes in the market. Built with high grade & durable 3.2mm aluminium checker plate overall thickness (2.5mm at thinnest point). Ideally this box is suited to anyone needing to securely store tools in one location either in your shed, on your work Ute, van or truck and at an affordable price. This truck box is constructed & able to withstand the harshest Australian conditions all year round.

Features

- Made from 3.2mm Aluminium checker plate (2.5mm thinnest point)
- Full length stainless steel piano hinge on lid
- 2 x heavy duty gas struts to support lid when open
- 2 x key lockable stainless steel latches with weatherproof seals
- Water & dust resistant rubber lid seal to protect tools from the elements
- Includes 5 position adjustable top shelf
- Overall box size: 1400 x 500 x 800mm (LxWxH)
- Weighs 48Kg
