## Description

Turn your cabinet into a mobile workstation with this easy install kit. The kit includes 2 fixed casters, 2 swivel casters with brakes, cast metal handles to mount to the front of the cabinet plus a heavy steel tray with a protective rubber matting giving you a working surface right where you need it.

Use this kit to turn your cabinet into a stand-alone mobile workstation or incorporate it with other cabinets & our bench top kit to have a professional workstation. This kit is designed so that, any of our modular cabinets fitted with this trolley kit, will neatly fit underneath the ITC-TOPK Bench Top Kit so at the end of the shift you can pack it away leaving your work area clear & your tools neatly put away ready for next time.

## Features

- Easy to install to any of our modular workplace storage system cabinets
- Hard wearing & non marking High density polymer wheels
- Heavy protective rubber sheet to protect your cabinet & your tools while in use

## Includes

- 2pcs of 65 x 32mm Swivel Casters with Brake
- 2pcs of 65 x 32mm Fixed Casters
- 2 x Cast Metal handles
- Heavy steel tray with 3mm rubber protective sheet
- Includes fixing hardware to attach all components to the cabinets
