Description

This 115mm Industrial virtually indestructible Vice is manufactured in Taiwan from high-quality ductile cast iron for exceptional strength, durability and long service life and has 3492kgs of clamping force.

Featuring a 360° swivel base with integrated anvil and pipe jaws, it is designed with replaceable hardened steel jaws for demanding clamping applications. The integral pipe jaws securely grip round stock, while the fully enclosed spindle construction ensures smooth operation and reliable performance.

Backed by a 5-year warranty, this industrial vice is built to deliver years of dependable service in professional workshops.

Features

- 360° Swivel base with lock
- Case hardened jaws with grooves for superior gripping
- 115mm jaw width with 115mm jaw opening
- 60,000 PSI ductile cast iron
- Replacement serrated jaws
