SAFEWAY

Made in Taiwan

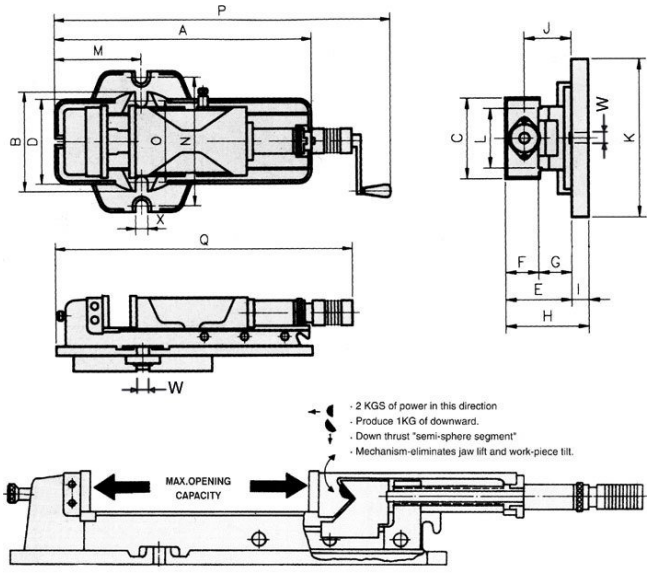

1 YEAR WARRANTY

Description

160mm MECHANICAL/HYDRAULIC MACHINE VICE:Precision manufactured from rigid material - Ductile iron FCD60JIS (equal to GGG60) with 60kg/mm2 or 80,000 psi tensile strength.
;All Safeway vices are precision ground and the surfaces set to the tolerances set out below. This allows these vices to be used in pairs and multiple configurations.

Features

- Flame-hardened to HRC 45 to take up wear and maintain accuracy
- The semi-sphere segment eliminates movable jaw lifting and creates a down force of 1kg for every 2kg of clamping force, preventing the work piece from tilting
- The hydraulic cylinder is mounted externally for easy maintenance
- Large clamping range through screw adjustment and 3 pin positions in the base.
- The vise can be used in either a mechanical mode or in a hydraulic mode
