Description

Time saving magnetic tools for use in the shop & in the field

Create corners by holding from the outside, providing you with a unobstructed area for inside tack welds. One side corner "relief" provides clearance for all lips. Use the outer edges of the corner magnet for setting up materials at 60°

Features

- Create 90° corners by holding from the outside, providing you with an unobstructed area for inside tack welds
- One side corner "relief" provides clearance for tall lips.
- Use the outer edges of the Corner Magnet for setting up materials at 60°
- *Magnetic force is based on the longest side of Magnet with 10mm thick steel

Includes

- 2 x Corner magnets
