MIG Hand Rest Glide Kit - MHR10

ORDER CODE:	W10350
MODEL:	MHR10
Type:	Hand Rest Glide Kit
Nett Weight (kg):	1.0

Description

New tools for sheet metal holding and welder comfort.

Unique and very practical! Use the Hand Rest to steady your hand for precise work in a fixed location.

The Hand Rest platform swivels 360° on the base for support in a full arc. Or, place the hand rest base on your cut-to-length angle iron (not included) allowing you to steady your hand as you glide smoothly along in a straight line.

Reduce hand and shoulder stress and fatigue. Use anywhere, anytime you need to steady your hand for precision work. Powder coated steel finish.

Kit includes Hand Rest, and 2 Magnetic Mounting Bases. Angle Iron NOT provided.

Features

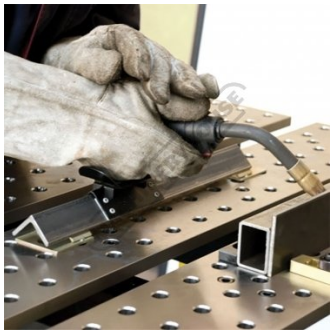

- Requires 38mm Angle Iron cut to desired length (not Included)
