MIG/TIG/STICK WELDER - EZIMIG205

Multi-Functional & Highly Efficient
200 Amps Welding Current

ORDER CODE:	W1107
MODEL:	EZIMIG205
Type:	MIG / TIG / STICK & Multifunction Welder
Part Number:	-
Voltage (V):	230
Recommended Plug Amperage (amp):	15
Welding Current Range - MIG (amp):	40 - 200
Welding Current Range - STICK (amp):	10 - 200
Welding Current Range - TIG (amp):	10 - 200
Duty Cycle (% @ amp):	60 @ 145
Wire Spool Size (kg):	5
Ferrous Wire Size - Range (mm):	06 - 1.2
Stainless Steel Wire Size - Range (mm):	-
Aluminium Wire Size - Range (mm):	-
Recommended Generator (KVA):	-
Dimensions (mm):	850 x 440 x 730
Nett Weight (kg):	36

Description

IGBT inverter technology increases reliability while maintaining smooth and stable welding output. MIG, TIG & MMA functions and a heavy duty integrated trolley design allow users convenience and flexibility, making it ideal for industrial use.

Features

- Extreme stress tested to 440v
- IP23 moisture and salt spray protection
- Single phase
- MIG duty cycle 145A @60%
- Single phase, 230V input power
- Multifunction Powersource: MIG, TIG, ARC capabilities - Suitable for a wide range of welding tasks.
- Latest IGBT inverter technology for high efficiency and reliability with smooth welding output.
- Sturdy Integrated Wheeled Trolley gives portability and protection for workshop environments with gas cylinder mounting tray and on-board storage compartment.
- Heavy Duty Aluminium 4 Roll Wire Feeder for consistent, smooth and reliable wire feeding.
- Synergic MIG operation with parameter save/recall for intuitive and simple setting of controls for consistent weld results.
- Spool Gun Connectivity for Aluminium welding capability and access for difficult welding locations.
- Reversible welding polarity connection - Suitable for Gas & Gasless MIG operation.
- Adjustable MMA Arc force, automatic hot-start & anti-stick control for greater control and ease of use when arc welding.
- Extreme stress tested up to 440V for rugged reliability.
- Intelligent protection system for increased reliability and safety.

Includes

- Includes Strata Professional MIG Torch, Earth Lead & Heavy Duty Earth Clamp, ARC Lead & Twist Lock Electrode Holder, 2 Stage Argon Gas Regulator and Gas Hose
