Description

Manufactured in Taiwan

Ideal for moving up to 227kg capacity Wood & Metal working machines

Is your workshop tight for room?
Are you sick of dragging heavy Machinery around?

This is the answer, a universal mobile base that will move with ease objects up to 225kg. The heavy duty frame can be adapted to suit many applications and is adjustable in 25 mm increments from 279 – 894 mm squares and rectangles from 297 x 434 – 1295 x 482 mm. The stable four wheel design has a pair of cam operated casters that swivel 360 degrees making it easy to move awkward machines with ease.
Save your back and gain valuable workspace.
