Description

Manufactured in Taiwan

Ideal for moving up to 454kg capacity Wood & Metal working machines

Is your workshop tight for room?
Are you sick of dragging heavy Machinery around?

This is the answer, a universal heavy duty mobile base that will move objects up to 454kg with ease. The mobile base can be adapted to suit many applications and is adjustable in 30mm increments from 580 – 750mm squares and rectangles from 580 x 610 to 750 x 850mm .
The stable four wheel design has a pair of casters that swivel 360 degrees & 2 anchor screws to stop the machine from rolling away.
Save your back and gain valuable workspace.
