| Type:                                | Cut Off Saw & |
| Capacity:                            |               |
| Max Torque (ft-lb / Nm):             |               |
| Clutch Type:                         |               |
| Punch Hole Diameter (mm):            |               |
| Flange Capacity:                     |               |
| Piston Stroke (mm):                  |               |
| Stroke Length (mm):                  |               |
| Free Speed (rpm):                    | 20,000        |
| Speed Range (rpm):                   |               |
| No Load Speed (rpm):                 |               |
| Blows Per Minute (BPM):              |               |
| Air Consumption (CFM/ L/min):        | 4.5           |
| Vibration Level (m/s <sup>2</sup> ): |               |
| Sound Pressure Level (dBA):          |               |
| Sound Power Level (dBA):             |               |
| Rated Power (HP):                    |               |
| Traction Power (kg/cm):              |               |
| Air Pressure (psi):                  | 90            |
| Air inlet (inch):                    |               |
| Length (mm):                         |               |
| Weight (Kg):                         |               |

#### Description

Ideal for cutting pipes, bolts or any steel work. Variable speed.

#### Features

- Free Speed: 20,000 rpm
- Air Consumption: 4.5cfm
- Operating Pressure: 90psi
