

Product Brochure For Z00891

Hot & Cold Pressure Cleaner - NPX1310M Lavor Wash

11 L/min.

ORDER CODE:	Z00891
MODEL:	NPX1310M
Pressure Cleaner Type :	HOT & COLD Water
Maximum Water Volume (LPM):	11
Maximum Operating Pressure (PSI):	1800
Hose Length (Metre):	10
Hose Type:	Steel Braided Hose
Petrol Motor Type:	-
Motor Power (kW):	3
Voltage (V):	240

**Features**

- Industrial gun (S/Steel trigger) - Industrial Spray Lance (Brass)
- Ceramic coated S/Steel pistons (Anti-crack)
- 10 Metre Steel Braided High Pressure Hose
- Diesel fired Hot Water variable to 140C with low fuel alert
- On board Detergent tank (Low pressure application)
- Time Delayed Automatic Shutdown system
- 3000W induction 240V motor - Water tap connector
- 1800 PSI maximum operating pressure
- 11 L/min, 660 L/hr maximum water volume
