

## Product Brochure For Z00892B

# Paraffin-Diesel Forced Air Heater - PT215T-KFA Protemp

215,000 BTU, 63kW

|                                        |                     |
|----------------------------------------|---------------------|
| ORDER CODE:                            | Z00892B             |
| MODEL:                                 | PT-215T-KFA         |
| Heating Fuel:                          | Diesel              |
| Air Flow Type (l/s / CFM):             | Fan Forced / 670CFM |
| Air Flow (m³/h):                       | ~                   |
| Heat Rating (kW):                      | 63                  |
| Heat Output (MJ/h):                    | ~                   |
| Minimum Room Heating Volume (m³):      | 492                 |
| Operating Pressure (kPa):              | ~                   |
| IP Class:                              | ~                   |
| Motor Rating (W):                      | ~                   |
| Heat Output - kw / BTU (kW / BTU):     | 63 / 215,000        |
| Fuel Tank Capacity (Litre):            | 50                  |
| Fuel Consumption (L/Hr):               | 6.1                 |
| Gas Consumption (kg/h):                | ~                   |
| Max Operating Hours (Hr):              | 8                   |
| dBA Rating @ 1 Metre (dBA):            | 86                  |
| Gas Bottle - Minimum Requirement (kg): | ~                   |
| Voltage (V):                           | ~                   |
| Dimensions (L x W x H) (mm):           | 109 x 610 x 660     |
| Nett Weight (kg):                      | 29                  |

## Features

- Powerful Instant Heat - High performance fan
- Safe & Efficient - Auto shut off if power is interrupted or flame is extinguished
- Quality Construction - Rugged steel body, heavy-duty motor & operating components
- Easy To Use - Fill with fuel, plug into approved power source and enjoy Value-Added Features - Unmatched quality & performance design
- 215,000 BTU
- 50L Fuel tank capacity
- 6.1 L/Hr fuel consumption

## Includes

- Power Switch
- Error Indicator Light
- Fuel Gauge
- Contractor-Grade Fuel Cap
- Integral Overheat & Flame-Out Safety
- Extension Cord Wrap
- Built-In Calibrated Air Pressure Gauge
- Quick-Fix Service Access
- Built-In Thermostat
- Fuel Drain Plug
- "Easy-Lift" Lift Handles
- Spare Parts Storage System
- Digital Operation System
- Wheel Kit
- Pneumatic Wheel Size (254mm)
- Quick Connect Assembly
