8 Litre Tank

ORDER CODE:	Z00895
MODEL:	Whisper V8
Type:	Dry
Tank Size (Litre):	8
Motor Power (W):	1000
Voltage (V):	240
Nett Weight (kg):	9

**Description**

Small and powerful dry professional vacuum cleaner: it is surprisingly light and handy but, at the same time, is as effective as other more powerful vacuum cleaners, thanks to its high-efficiency engine. Extreme noiselessness (less than 60 dB of acoustical pressure) and filtering efficiency are Whisper V8 main features. In fact, its innovative multi-level filtering system (cartridge filter, collector filter and brush coal filter) enables to return purified and healthy air to the environment.

It is equipped with socket for accessories like i.e. electrical brush and with integral accessories holder, full collector filter indicator and separate 10 mt. cable.

Ideal for hotels, offices, small shops and schools.
